

{ Finalized Coursework

List all of your courses and your opinion of their Rhodes equivalents after arrival at the host institution and final course selection, listing only the courses in which you are actually enrolled. Submit the Finalized Coursework to internationalprograms@rhodes.edu, or via fax: 011-901-843-3434. In cases where the Finalized Coursework is different from the Proposed Coursework, course approvals will be sought over email, when necessary.

Courses must be passed with a minimum grade of C- to be eligible for transfer credit. Courses not intended for major or minor credit will be reviewed by the Director of International Programs and the Registrar for transfer credit approval.
