

ENVIRONMENTAL STUDIES MINOR
Environmental Experience Approval Form

This form is to be used by students who are petitioning for an environmental experience to be counted toward the Environmental Studies Minor.

Student Name	
Student R Number	
Student e-mail address	
If part of a course, department, course title, and number	
If part of a course, semester and year course was taken or will be taken	
If part of a course, Professor of the course	

Experiences that satisfy the Environmental Studies Minor requirement must have a substantial component dealing with the environment or environmental issues, and may or may not be part of a course.

Examples of environmental experience are the following:

Paid or un-paid independent research; Services projects; Summer experiences or international experiences such as volunteer efforts abroad or in local communities.

Please give a detailed description of the environmental component of the experience you have had or plan to have. You may attach additional sheets as needed.

If part of a course, please attach a copy of the course syllabus and submit with this form to Dr. J. Jackson, History Department.
