FULFILLING THE REQUIREMENTS FOR AN ENVIRONMENTAL STUDIES MINOR

INTD 150: Environment and Society (F2i)

INTD 222: Geographic Information Systems (GIS)

One Introductory Course:

Approved introductory courses:

ANSO 201: Human Evolution
HIST 270: Global Environmental History (F3, F11)
INTS 221: Global Ecopolitics (F2i, F8)

Three Elective Courses:

Three courses from at least two departments

Approved elective courses

ANSO 203: Becoming Human
ANSO 271: Ecological Anthropology
ANSO 275: Food and Culture
CHIN 214: Material Culture and Chinese Gardens (F3, F9)
ENGL 332: Green Shakespeare
ENGL 336: Literature and Landscape
HIST 105: Disease and Epidemics (F2i)
HIST 374: Nature and War (F3)
HIST 472: Environmental Justice (F11)
INTS 223: Population and National Security (F2i)
INTS 321: Comparative Ecopolitics
PHIL 302: Environmental Ethics
POLS 316: Urban Policy

One Environmentally-oriented Science Course:

Approved science courses

BIOL 120: Environmental Science (F7)
BIOL 207: Animal Behavior
BIOL 210: Conservation Biology
BIOL 212 and 214 (taken together): Environmental
Issues in Southern Africa
BIOL: 254: Coral Reef Ecology (F11)
BIOL 301: Microbiology
BIOL 315: Ecology
CHEM 211: Introductory Organic Chemistry
CHEM 406: Instrumental Analysis
GEOL 111: Earth System Science (F7)
GEOL 116: Global Environmental Change (F7)
GEOL 214: Environmental Hydrogeology (F7, F11)
MATH 115: Applied Calculus (F6)

Environmentally-oriented Experience:
