

MEDICAL APARTHEID

Covid-19, Racism, and Research

The Department of Anthropology & Sociology and the Rhodes Health Equity Initiative Present

————— 2021 Health Equity Symposium —————

Keynote speaker **Harriet A. Washington** will address the history of research and medical abuse of African Americans, including the recent history of racial issues pertaining to COVID-19.

Harriet A. Washington's seminal work, *Medical Apartheid: The Dark History of Experimentation from Colonial Times to the Present*, won a National Book Critics Circle Award, the PEN/Oakland Award, and the American Library Association Black Caucus Nonfiction Award. Washington is a prolific scholar with books on medical racism, environmental racism, infectious diseases, biomedical ethics, and more.

Tuesday, February 23 at 5:00 p.m. CST
