## Post-Graduation Survey - Class of 2021

### *Introduction*

Each year, the office of Career Services conducts a survey to determine the professional activities of the graduating class. Seniors were encouraged to complete an online survey prior to graduation. Additional information was collected throughout the following year. The Career Services staff contacted graduates through emails, phone calls, and different forms of social media. Of the 427 graduates in the Class of 2021, Career Services was able to obtain information on 395, representing a 92.50% knowledge rate. This class included 1 Fulbright recipient and 1 Watson fellow.
