We would be delighted to set up a forum for students to learn about the budgeting process and how funds are spent. Since it vouchers for students' use. There is a grocery trip planned for December 8 at 5:30 pm for students staying on campus during the appropriate staff training. We have already tasked staff members with making improvements to the Health Center website.

October, which has been charged “to evaluate campus safety efforts to ensure they are transparent and free of bias, study Rhodes does not have the technology to instantly change user access to all the residence halls in the event of an emergency. In addition, the Advisory Group for Accessibility, Disability, and Universal Design was established in 2022 to develop resources Rhodes is committed to providing faculty with the necessary resources and training so they can anticipate and respond to the short of expectations so they can improve. Students who want to provide feedback can send it to fostering a safe, respectful, and collaborative relationship with students as they work toward meeting goals for improvement.

The Student Counseling Center strives to ensure that all our counselors are operating from a trauma-informed lens. This both in-person and via teletherapy, that students can connect with using our 24/7 support line (833-434-1217). Through this approach to working with students begins with the recognition that often mental health challenges are the result of what a.

The College and the Bon Appétit dining team have heard students' concerns about quality control and variety in the dining is wrong with your meal is important so the situation can be remedied in real-time, if possible.
