

# *A Message from the President*

## **Dear Rhodes Community,**

This is my first official day as president of Rhodes, and I want to express my sincere appreciation for the warm welcome Adam and I have already received. We have spent the last week getting moved in, and we are so excited to be here with all of you in Memphis. As a newcomer to the college, I know I am joining an incredibly warm, energetic, and talented faculty and staff community. I am eager to roll up my sleeves and get to work to support you in every way that I can.

I can't wait to meet all of you and hear more about the amazing work you do every day. As I start my role, I am eager to learn what your hopes and dreams are for Rhodes and how we can work together to reach those goals. I will be setting up times to meet with departments, divisions, and programs over the course of the summer and fall. In the meantime, please say hello and introduce yourself should I have the pleasure of seeing you as I make my way around campus.

Thank you so much for all you have done to make Rhodes such an exceptional institution. I am truly honored to be a part of this extraordinary college.

Sincerely,  
Jennifer
