## DECLARATION OF MAJOR

Name: \_\_\_\_\_

Date: \_\_\_\_\_ Rhodes ID Number: R \_\_\_\_\_

**Submission of the Declaration of Major.** No later than midterm of the second semester of the sophomore year, all students must complete two (2) copies of this form, filing one copy with the major department and one copy with the Registrar. Further registration at Rhodes will not be permitted until this process is complete. *Each student should maintain a record of coursework and progress as well since the ultimate responsibility for meeting degree requirements is that of the student.*

**The Major Essay.** Prior to obtaining the approving signature of the major adviser, the student is required to submit electronically to the adviser a Major Essay. This essay should include a reflection of the student's goals in pursuing the chosen major; possible links between the major coursework and other courses taken or to be taken; what areas of the major field represent the student's greatest interests; and what other areas of the major will help the student to become more well-rounded in the major field. Consult with the department or your major advisor for specific guidelines.

**Double Majors and Double Degrees.** Double majors require appropriate declaration of major forms for both departments. A student pursuing both a B.A. degree and a B.S. degree must file a declaration of major for each degree and major.

**Interdisciplinary Majors.** A student who wishes to declare an interdisciplinary major that does not have an approved program of study should consult the Rhodes catalogue for the proper procedure to follow.
