**Student Login to Medicat and upload of COVID-19 test results**

Medicat is a secure and HIPAA-compliant patient portal for Rhodes College students. This is the main repository for your medical forms at Rhodes and where you will upload your COVID-19 test results.
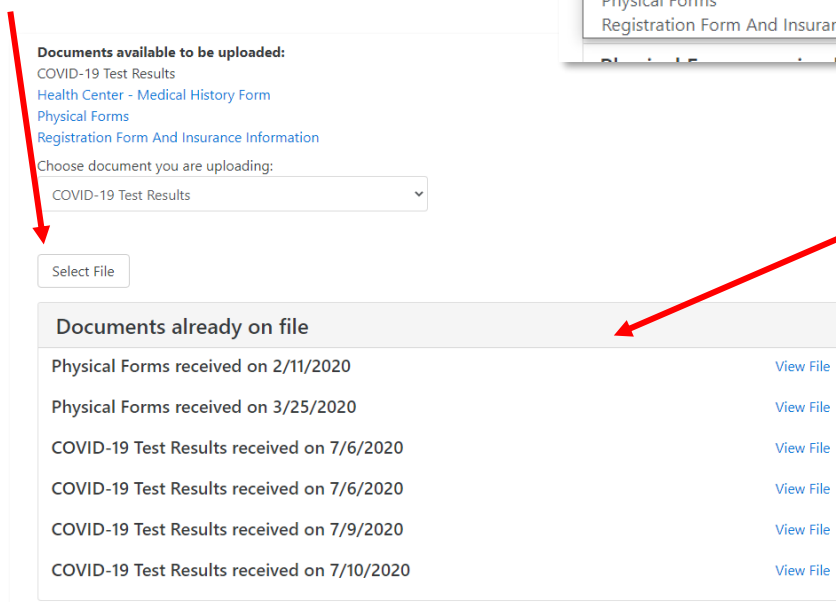

1. Open a web browser and go to Medicat at https://patient-rhodes.medicatconnect.com/

2. Login with your Rhodes ID and password by clicking here. Once logged in, click **Upload**.

3. Scroll down to **Documents available to be uploaded** and select COVID-19 Test Results from the drop-down menu**:**

4. Click Select File to browse for the file on your computer and upload it.

Once uploaded, you will see your documents on file in this list.
