Yr of Grad ___________ Current G.P.A. _______ Rhodes ID: R ____________

Credits Proposed for this D.I. _______________ Semester, Year ____________________________

Will this DI create an overload for the semester in which it is done? __________________________

A course overload must be approved by the Registrar after which the approved D.I. will be added to the student’s schedule.

Department________________________________________ Supervisor ____________________________

Project ________________________________________________ Title ____________________________

Brief Title for Permanent Record (limit of 26 spaces)

__________________________________________________________

Starting Date __________________________ Ending Date ____________________________

No work will be credited to the project before the submission of this proposal to the Registrar’s Office. Therefore, the official starting date must be after the date of submission.

### Distribution of time.**  Forty-six (46) hours of work are required for each credit proposed. Indicate below how your time will be distributed:

- **Readings** __________
- **Conferences with supervisor** __________
- **Writing** __________
- **Experiments** __________
- **Other (please specify)** __________

### Description of the Project.  Describe the project as fully as possible, including the topic to be studied, the nature and extent of the supervisor's participation, a reading list (if applicable), a description of the tangible product(s) of the project (a report, apparatus, art object, etc.), and any other information that will help the department chair understand the project and its objectives. Unless the department chair approves an exception, a paper or other tangible product and/or final examination is required.  (If needed, use a separate sheet to complete this description.)
I have read the regulations governing Directed Inquiries and the instructions for filing my proposal and certify that all guidelines will be or have been met.

________________________________________________________
Date                                                   Student's Signature

For use of the project supervisor and department chair only.

Description of the manner in which the project supervisor will judge the project at its completion:

The signature of the supervisor indicates his/her belief that the student possesses the ability, motivation, and academic background necessary for the successful completion of the project.

________________________________________________________
Date                                                   Project Supervisor's Signature

The Directed Inquiry as described above is approved.

________________________________________________________
Date                                                   Department Chair's Signature

Completed and approved Directed Inquiry proposals are to be submitted to Rhodes Express which will forward them to the Registrar. Students should maintain a copy of the proposal for their records.
