

## 2018-2019 (V1) Standard Verification Worksheet

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. By law, before disbursing Federal Student Aid, we must compare your FAFSA with information on this verification document and with any other required documents from you, your parent(s) (if dependent) or your spouse (if married). If there are differences between your FAFSA information and your documentation provided, corrections may be required. Complete this verification form and submit it along with the supporting documentation to Rhodes Express as soon as possible, so that your financial aid will not be delayed.

**Instructions:** Please read carefully.

1. **Complete and sign this verification worksheet.** For dependent students, both you and at least one parent must sign. For independent students, you and your spouse (if applicable) must sign.
2. **Provide tax and/or income information for you, your parent(s) and/or spouse (if independent and married) as directed in the below table.**
3. **Submit your completed verification worksheet and other required documents to Rhodes Express** in person, by email at [finaid@rhodes.edu](mailto:finaid@rhodes.edu) or fax to (901) 843-3435. Alternately, you may mail the documents to:

  - Separate Returns:** If you and your spouse or your married parents filed separate tax returns, a tax return transcript for each must be submitted.
